

[bit.ly/goblet2018-gtn](https://bit.ly/goblet2018-gtn)

Two points about creating a training community

# Galaxy Training Network continues to build

<https://training.galaxyproject.org/>

<https://galaxyproject.github.io/training-material/hall-of-fame>

# Training Infrastructure as a service

<https://galaxyproject.eu/tiaas>

In combination with the training material, offers a free turn-key solution for life science training.

16 registered TlaaS courses for more than 390 students on 3 continents since March 2018
